Davies

"Prompt. Punctual. Professional.
No hesitation in recommending
this company."

About Roofing

New Roofing

There are plenty of benefits to investing in new roofing. Firstly, the roof over your head will be newer, stronger, and in better condition. With any new roof we install, we offer a 10-year guarantee.

Roofing Materials

Our roofing experts work in a range of materials including tiles, glass, rubber, polycarbonate and felt. Rest assured you are well cared for with a ten-year warranty on all of our products and installations.

Conservatory & Garage Roofing

All Weather Roofline supply and install garage and conservatory roofing across six branches throughout the UK.

- ✓ Improved aesthetic appearance.
- ✓ Benefit from a 10-year guarantee.
- ✓ Provides long-lasting protection.
- ✓ Saves you money long-term.

Further Information

When you picture a house in the UK, you will more than likely think of a roof with orange-colored tiles, right? These are very traditional roof tiles and are very common in houses that were built a few years ago. However, we can supply a range of roof types that are perfectly suited to conservatories and garages including tiled and insulated, glass, rubber, polycarbonate and felt roofing.
